WALKING BY FAITH
KEEPING IN STEP WITH THE SPIRIT
FOLLOWING JESUS

ANGLICAN CHURCH IN THE NETHERLANDS
DEANERY DAY
SATURDAY 12TH FEBRUARY 2022
AMERSFOORT

For many people our churches are a home from home. A safe space for foreigners and exiles as we continue our pilgrimage homeward towards our heavenly Father.

But being church is not something that just happens. We don't just turn up. Our churches are at their best when every member finds and offers their unique gift so that the whole body of Christ can be built up, enabling us all to walk by faith and keep in step with the Spirit.

Which is why we are holding this Deanery day. A day for churchwardens, council secretaries, safeguarding officers, synod representatives and treasurers. Our aim is to help you as you run our churches: to inspire you with the bigger picture, to equip you for the specific roles and responsibilities you hold, and to have fun in the process.
